Happy Birthday to

Tyler Seraphin, Spencer Boulter and Ryan Cumming

To follow on from the very successful SATs Evening, all classes have sent home invitations to their parents to attend a session where you will be able to learn alongside your child using current 'calculation' methods. These sessions will run during week beginning Monday, 6th February. We hope you are able to attend!

Courtauld Class Assembly – Friday, 3rd February at 9.00am

Constable Class enjoyed a very exciting day on Tuesday, taking part in a complete hands-on experience in television production organised by Tony Roberts (Director and Filmmaker). Each child will be bringing home an edited version of their own news programme featuring reports which they wrote, directed, edited and appeared in as well as co-ordinating light and sound. Photos of the day are in the gallery on the school website. We were very impressed with how the day was organised and have arranged for Holst Class to have the same opportunity and experience on Tuesday, 7th February.

A presentation of jewellery and flowers was made at lunchtime to Mrs. Wendy Dixey, who left the staff of St. Andrew's today. Mrs. Dixey has been a member of the midday staff for many years and we all send her our best wishes for the future.

PTA VALENTINE DISCO - FRIDAY, 10th FEBRUARY 3.15pm - 4.45pm

(Tickets £2.00 available from School Office)

Parents are still parking inconsiderately in Duncan Rise across 'dropped kerbs' and blocking house owners from entering and exiting their property.

If you were unable to book an appointment for Parents Evening, please contact the school office. During half term on Wednesday, 15th February there will be a 'Play Day' at St. Andrew's organised by Families and School Teams (FAST). More information to follow.
