

Our Vision Statement

‘To Be The Best You Can Be’

At St Andrew’s we encourage children to develop determination, resilience and courage to try their best. We celebrate successes across all areas of the curriculum and aspire to find everyone’s strengths.

Our Core Values

At the centre of everything we do are our core principles. They underpin our teaching and learning, and ensure that we create an environment where children feel valued and safe.

Respect

Kindness

Hope

Determination
