'To Be The Best We Can Be'

Newsletter Friday 16th October 2020

Message from Mrs E Flin our Headteacher

Well this week has gone really quickly! A very eventful week - but one that has seen so many children behaving in such a responsible and sensible manner.

This week I have been fortunate enough to see some amazing work happening across the school. On Wednesday Oak were faced with some pretty challenging maths problems - problems that needed children to show real resilience and determination. They had to behave like maths detectives - it was really exciting to watch and then finally to see the solving!

Mulberry are really coming along with their phonic sounds and actions - I love watching them say the letter with the actions. Now they are sounding out whole words with actions. Brilliant.

Apple have been really putting their maths skills to the test by doing lots of practical maths activities with money - the classroom was a hive of activity and noise but it was all work-related noise and movement. Lovely to watch.

Horse Chestnut have been working on their poetry this week and making great progress - they have also been walking miles! They really have engaged well with the daily mile and seem to love it - they're getting their first sticker on the map as they travel around the world.

Cherry has also worked incredibly hard this week so very well done - I know that Miss Guest is very very proud of you.

We have some excellent stars to celebrate; Caitlin from Mulberry, Arabella in Apple, Amelia MG in Horse Chestnut and Kiefer in Oak Tree. The comments were: 'you are one of the smartest in the class', 'her hair is shiny and straight', 'without you the world would be doomed', 'she is respectful, kind, shows lunchtime manners and is lovely to have in class', 'she is kind to everyone', 'she shows the school values', 'she is a good girl' 'I love her'.....

Have a lovely weekend.

Mulberry Tree Star of the Week

Apple Tree Star of the Week

Cherry Tree Star of the Week

Oak Star of the Week

A warm welcome to Mr Boorman our new Chef who started with us on Monday.

Hi, my name is Paul and your children know me as Mr Boorman or that new chef/cook. Whilst Ms Wallbridge is having some time off to have her baby, I will be trying to fill her shoes. Mrs Flin has asked me to write a new menu for next term and I thought I would ask you for your opinions. I can't promise you anything, but I would like to know what you really, really would like to see on the menu for your young person to eat. I have also been round to a few classrooms and I'm hearing 'curry' from the children. If you have any thoughts or ideas please email them to office.greatyeldham@dcvst.org by Tuesday of next week.

Many thanks Paul

PE Kits are to be worn on the following days.

Mulberry Class **MONDAY** & Friday
Apple Tree Class - Monday & Thursday
Horse Chestnut Class - Tuesday & Wednesday
Oak Class - Friday

Sadly, we say goodbye to Mrs Hughes who has been our Family Liaison Officer, we would like to wish her the best of luck in her new role.

Next Friday 23rd October is the last day for any Harvest donations, we have received a wonderful collection of items and are super grateful to our parents.

Thank You!!

Unfortunately, we have received complaints from our neighbours around the school regarding parents parking and blocking driveways. Please could we ask that you park your car respectfully as not to cause a nuisance to our neighbours. This includes parking on the opposite side to the school as it's causes a hazard to the flow of traffic. Thank you kindly
