## 'To Be The Best We Can Be'

### Newsletter Friday 23<sup>rd</sup> October 2020

#### Message from Mrs E Flin our Headteacher

Another lovely week at school - it has whizzed by!

This week we all got to see Oak Tree's Harvest Festival! They have been working really hard on readings, songs and dances for their Harvest. Mr Power recorded this event at the church, edited it and shared it with the whole school. They were very proud of themselves - although did cringe slightly when they saw themselves on the screen!

Because we don't meet for assembly anymore all of our assemblies are virtual. Some I record at the weekend (involving my naughty dog Basil) and more frequently now - children in school help. I have a group in Oak who make regular assembly contributions, but this week we have also had help from Horse Chestnut and a couple of children from After School Club. We plan to put the Harvest Festival on the school website soon.

Reading again this week has been very exciting! As you know the challenge is that every child reads at least 3 times a week - we then use this information to compare the success of every class in meeting this challenge. For the first time ever, Oak Tree won last week with 97% - amazing. Well, this week they have done it again! Well done Oak. Apple and Horse Chestnut were also in the 90's.

We have some excellent stars to celebrate; Thomas from Mulberry, Delilah in Apple, Everyone in Cherry, Jasmine-May in Horse Chestnut and William G in Oak Tree. The comments were: 'she may be quiet but she is perfect', 'she is sweet and kind and includes me at playtime', 'he is fast', 'he is a good friend', 'you are the greatest person to ever walk this earth which is hard because there are lots of good people on this earth', 'I think you dropped your crown because you are a king'.....

Have a lovely half term.
