'To Be The Best We Can Be'

Newsletter Friday 11th June 2021

Message from Mrs E Flin our Headteacher

Kindness~ Respect~ Hope~ Determination

We have come to the end of a hot week in school. It has been lovely to see all the different hats! Oak have started their new topic; The Vikings this week. Their working wall display looks lovely in their class - an exciting topic. They have also been working on pie charts in maths and auditioning in preparation for their class play at the end of term.

HCT have been working on angles in maths and on their new topic; Stone Age to Iron Age. Really interesting area to study following on from their Science work of Rocks. Kian and Max told me all about their week in HCT - it sounds as if they have all been working hard.

Cherry have had a great week. Arwen, Ava, Elsie and Jack told me all about the races and games they have been playing in PE - it all sounded exhausting! They are also working on Metals and Magnets which they are enjoying for Science and the 'ous' sound in literacy. They then rattled off a long list of 'ous' words dangerous, humongous, hideous, boisterous, blusterous, scrumptiousso they must have been listening!

Apple all came to school Tuesday as the most wonderful pirates! They had an action-packed Pirate Day! So much fun, games, activities, books, maths and songs! I went home with sea shanties on the brain! Excellent singing Apple.

Mulberry started their week with a very hot, and sticky in plastic waterproof outfits, walk to the forest. They had a super time - not quite so much mud this week but plenty to climb, dig, swing on and explore. They have also been learning about rockpools and know all about anemones and brittle worms! They have also been working on their rhyming words and doubling numbers. Well done Mulberry Moles.

Our **CLASS STARS** this week have been brilliant.

We've had Freya from Oak, Eliza in Horse Chestnut, Arwen in Cherry, Amelia in Apple and Charlie in Mulberry. These children are wonderful members of our school and superstars.

Birthdays for this week....

Sports Day 09.07.21

It remains very unlikely that parents will be able to come to Sports Day this year. The restrictions that have changed in some aspects of everyday life have not changed in education. We understand that parents will feel disappointed by this - as we do too.

Uniform

Thank you to everyone who is making such an effort to ensure that your child comes into school in the correct PE kit and school uniform. It is really important to us that we are a smart school with behaviour, attitude and appearance. We do encourage children to wear school shoes rather than trainers - if your child is wearing trainers, because they have outgrown their shoes, please can you send a note in.

Kid Around Magazine

May Relaunch Issue Is Here and full of things to do with the kids this half-term.

After School Club

We are pleased to let you all know that Miss Patmore is now back running After School Club on a Monday, Wednesday, Thursday and Friday with Mr Dangerfield in charge on a Tuesday.

Forest Schools on Monday will be Horse Chestnut Tree Class – please come to school dressed in your forest clothes, wellies & waterproof coat or sun hat! You can bring in school trousers / skirt and school shoes to change into.

School Bags

We are hoping that we can return to school bags in September. We do not have the space for rucksacks or other large bags. Before you buy any school bags for your children we ask that all children use the school bag with a logo which can be purchased through the school uniform website.

All children will be expected to use the royal blue school bag - these keep books, homework and equipment smart and they are far easier for us to store in school.

PE Kits are to be worn on the following days.
