## Mulberry Tree Class Curriculum Plan Summer 2 2021

### Over and Under the Sea

### Daily reading:

Please could we request that you sign your child's reading diary when you have read at home, your signatures will be counted on Thursday's and the %'s passed to the headteacher.

This planning sheet outlines the area of study that have been planned for this half term. However, as planning is assessment led, modifications may occur. SLH. June 2021 MULBERRY TREE CLASS.

## PSHE

To be confident to try new activities  
Play co-operatively and take turns with others.

## UNDERSTANDING THE WORLD

Learning about rock pools and the creatures that live in them.  
How do we keep the beach clean? How do we keep safe in the sun?  
Where is the nearest beach to us? Use Google Earth and maps. Think about different types of creatures that live under the sea including jelly fish.

## EXPRESSIVE ARTS AND DESIGN

Making limpets and shells and decorating them.  
Create a rock pool for the children to explore.  
Bubble painting pictures. Make their own large scale fish and decorate with individual scales.  
Make salt dough shark teeth and make their own necklace.

## PHYSICAL DEVELOPMENT

My PE lessons will be once a week, on a Friday afternoon.  
My lessons will be inside and outside and will cover dance, gymnastics and games. I will be exploring the outdoor equipment, moving around, over, under and through balancing equipment.
