

Apple Tree, Homework grid

Summer 2

Land Ahoy!

Choose at least 3 activities to complete before Friday 16th July. Bring them in so we can display all your creativeness in the classroom.

Maths

Can you create your own pirate fraction question? Remember you need to write the answer down.

Bring in your question and see if someone can answer it.

History

Choose a famous pirate throughout time and display your findings in a fun and exciting way.

Geography

Can you create your own map of where you live. Remember to add in the compass points.

Literacy

Can you think of your own pirate riddle.

Make sure to write your answer down on the back.

Science

Research about Humphry Davy and why he is a famous scientist.

Life Skills

Create a leaflet or poster that could tell people how to cross the road safely.

Art/DT

Have a go at creating your own pirate ship. Can you make it 3D?
