

English

We will be writing persuasive, narrative and information texts. We will also present our work to the class.

Maths

We will focus on Multiplication inc by 10, 100, 1000, Division, problem solving, multiples and factors, square and cube numbers, prime numbers and prime factors. We will then go on to look at Length and Perimeter, Area and Volume.

Topic

This is a Geography topic – we will be finding out about mountains; what they are, how they are formed, where they are, etc. We will focus in particular on mountain ranges in Europe.

In **Life Skills**, we will continue to think about relationships with the most important people in our lives – friends and family.

Science

We will be looking at Properties and Changes of Materials, formulating hypotheses, carrying out experiments and drawing conclusions.

To complement our Topic, we will focus on drawing landscapes in our **Art** work, considering perspective and using various sketching techniques.

In **RE**, we will be finding out about the synagogue and how Jewish people worship there.
