## PHSE

It is important to share resources and take turns in order to get on with others.

Some feelings make them feel good and some not so good.

It is important to indicate feelings. Rules keep us safe when using equipment.

Safety rules includes always listening carefully and following simple instructions, using equipment for the tasks they are designed for and washing hands before touching food.

## UNDERSTANDING THE WORLD

(Science, Geography, ICT, RE.)

Kings and queens are known as royalty. Some kings and queens are real people and some are characters in stories.

The way that people lived in the past is not the same as the way that we live now. There have been changes to schools, play activities, toys, food, transport and clothes. Objects can be compared and grouped according to their shape, colour, material or use.

Living things change over time. This includes growth and decay.

Some materials are magnetic, which means that they are attracted to (pull towards) a magnet. Some metals are magnetic. Other materials are non-magnetic, such as wood, dough and glass.
