

Moon Zoom! – Homework Grid

Choose one of the planets in our solar system.

Look in information books or on the internet.

Make a poster about your planet with a labelled colourful picture.

Include as many interesting facts as you can!

Imagine you are trying to show an alien the special things about the Earth.

Create a piece of artwork that shows all the most beautiful, important things about our planet.

It could be a drawing, a painting, a collage or a model!

Choose at least 3 activities to complete by **28.03.24** or earlier and bring them in to school to share your creativity so we can display them in class.

You are an astronaut on an important mission.

Write a diary of your experiences.

You could start each entry with Day 1, Day 2, etc.

You could have exciting days and boring days!

You can add drawings if you like.

Write your own story about an adventurous astronaut visiting another planet.

What will their journey be like?

What will they discover on the planet?

Imagine that an enormous alien spacecraft landed near where you live.

Write a newspaper story to telling everyone about the arrival of the spacecraft.

Include a great picture and lots of written details that your readers will want to know!
