Frozen Kingdom

Design modern outdoor clothing for an explorer during their expedition to a polar region.	Research and create a timeline to show the history and development of polar exploration. Use the web and other resources to find information and images.	Create a poster or brochure for a new travel company which arranges visits to the Arctic or Antarctic. Use powerful images and text to tempt customers who want an extra-special trip!
Make a model of your favourite Arctic animal using clay, dough or recycled materials.	Choose at least 4 activities to complete by 14/12/2026 and bring them in to school to share your creativity so we can display them in class.	Imagine that Earth has entered another Ice Age. Write a diary-style piece or create a video diary describing the changes and how the human race has adapted to cope.
Make 'iced jewels'. Mix powder paints and dyes into water, in an array of colours. Pour into an ice cube tray before freezing overnight. Pop the cubes out and explore your iced jewels. What happens if you sprinkle salt on the cubes?	Use a range of snowy images to create a polar collage. Remember to use lots of interesting textures, shapes, colours and patterns.	Make 'frozen', 'ice' or 'polar' inspired food. Take pictures to bring in and instructions on how to make it.
